

## **HOLYHEAD – LOCAL NOTICE TO MARINERS 13/2025**

### **Marina Pontoon Towage**

Issued: 16<sup>th</sup> May 2025

Cancels: 16<sup>th</sup> May 2025

Mariners are advised that the marina pontoons will be towed out from the new harbour at 11:00 this morning.

Tug, Coastworker will connect up to the 2 sets of pontoons (string of 4 at the front and string of 5 at the back) as a tandem stern tow.

Tug, St David will act as stern tug.

One string will be towed from the hook, the other from the tow winch.

The skipper will contact Holyhead Harbour Authority on Channel 14 to advise departure.

Coastworker will begin towing the pontoons out from the New Harbour, through the inbound TSS and out of the harbour limits

Coastworker will then head in a north westerly direction towards the Mull of Kintyre, leaving the Isle of Man to Starboard.

The total length of the tow will be 334 meters:
